

**FEDERAL UNIVERSITY OF AGRICULTURE, ABEOKUTA
POSTGRADUATE SCHOOL**

HIGHER DEGREE GRADUANDS – 2023/2024 ACADEMIC SESSION

A. DOCTOR OF PHILOSOPHY (Ph.D.)

**CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND
SUSTAINABLE ENVIRONMENT (CEADESE)**

Ph.D. AgSE (Environmental Systems and Climate Change)

BAKARE Adewale Wasiu

Thesis: Production of Biogas from Co-Digestion of Animal Dungs, Water Hyacinth and palm-Oil Mill Effluent and Potentials of the slurry as Soil Amendment

Supervisor: Prof. B.S Bada

TOWOLANI Adeleke Taofik

Thesis: Climate Trends Effects on Crop Production Farmers Adaptation and Potential Human Health in Two Agro- Ecological Zones in Nigeria

Supervisor: Prof. O. Oguntoke

OGUNDEJI Stephen Taiwo

Thesis: A Spatiotemporal Assessment of Urban Heat Island in Parts of Ogun State, Nigeria

Supervisor: Prof.O. D. Akinyemi

DAMI-ADEKUNLE Aanu Gladys

Thesis: Integrated Assessment of The Effects of Facial Waste Disposal on Groundwater Resources of Markets in Abeokuta Metropolis, South-western, Nigeria

Supervisor: Prof.O. D. Akinyemi

BELLO Hafiz Babatunde

Thesis: Environmental Quality and Composition of Leafy Vegetables from Some Vegetable Producing Communities in Ogun State, Nigeria.

Supervisor: Prof. Sammy O. Sam-Wobo

BASIL Ejike Charles

Thesis: Carbon Sequestration Potential And Soil Phosphorus Distribution under Different Tree Plantation in Federal University Of Agriculture, Abeokuta, Ogun State, Nigeria

Supervisor: Prof. B. S. Bada

Ph.D. AgSE (Monogastric Animal Nutrition)

AKINGBADE Aderemi Olayide

Thesis: Effects of In Ovo Administration of Glucose and L – Threonine on Hatchability, Growth Performance, Blood Profile Gut Morphology and Immune Response of Broiler Chickens.

Supervisor: Prof. A. O. Fafiolu

UWADIA Osarieme Emmanuel

Thesis: Dietary Inclusion of African Olive (*Canarium schweinfurthii*) Oil as Energy Feedstuff for Broiler Chickens

Supervisor: Prof. A. O. Oso

Ph.D. AgSE (Agricultural Economics and Environmental Policy)

OBALOLA Oyeyode Tohib

Thesis: Effects of Farmland and Ownership On Livelihood Outcomes among Rice Farming Households in Northwest Nigeria.

Supervisor: Prof. A. E. Obayelu

Ph.D. AgSE

DAUDA Kola Abdulkadir

Thesis: Assessment of an Irrigation Dam for Sustainable Agricultural Production in Kwara State Polytechnic

Supervisor: Prof. O. S. Awokola

Ph.D. AgSE (Post-harvest and Food Process Engineering)

TOLA-WINJOBI Bridget Tomilayo

Thesis: Foam Mat Drying of Soursop (*Annona muricata* L.) Pulp and Evaluation of its Quality Parameters

Supervisor: Prof. B. A. Adewunmi

Ph.D. Livestock Science and Sustainable Environment

OLUTAYO Abayomi Jacob

Thesis: Response of Broiler Chickens to in OVD Injection of Aqueous Extract of Phytobiotics (Garlic, Ginger and Oyster Mushroom)

Supervisor: Prof. O. M. Sogunle

Ph.D. AgSE. (Food Processing & Value Addition)

ADEDOTUN Habibat

Thesis: Foam-Mat drying characteristics of starch albumen mixture, powder physical properties and application in angel cake production

Supervisor: Prof. T.A. Shittu

Ph.D. AgSE. (Crop Entomology)

AYANGBEMI Busola Tumininu

Thesis: Biological Activity of Solvent Extracts of Ten Botanicals Against the African Rice Gall Midge (*Orseolia oryzyvora harris and gagne*) (*Diptera:cecidomyliidae*)

Supervisor: Prof. O. R. Pitan

Ph.D. AgSE. (Crop Physiology)

OGUNSESAN Adeola Zainab

Thesis: Evaluation of Some Bioherbicidal Weed Plants And Arbuscular Mycorrhizal Fungi (AMF) Inoculation on Weed Management, Growth And Yield of Maize (*Zea Mays L.*)

Supervisor: Prof. M. O. Atayese

AJAO Olufemi Adewumi

Thesis: Performance of Lowland And Rice Varieties Under Rates And Variations In the Proportion of Nitrogen Applied At Different Growth Stages In A Derived Savannah

Supervisor: Prof. O. S. Sakariyawo

Ph.D. AgSE. (Agricultural Mechanization And Sustainable Environment)

AKADIRI Shadrach Adesina

Thesis: Treatment of Integrated Poultry and Aquaculture Wastewater Using Vertical Subsurface Constructed Wetland in Abeokuta, Southwest Nigeria.

Supervisor: Dr. Dada P. O. O.

B. MASTERS

CENTRE OF EXCELLENCE IN AGRICULTURAL DEVELOPMENT AND SUSTAINABLE ENVIRONMENT (CEADESE)

M. AgSE. Food Processing and Value Addition

JOKANOLA Adebukola Olawumi

Dissertation: Effect of Hot Air Frying and Storage on some Quality Attributes of Chicken Flosses

ONOJAH Victor Ugbedeajo

Dissertation: Modelling Physicochemical and Sensory Characteristics of Yoghurt With Chemical Composition of Milk Base

M. AgSE. Environmental Systems and Climate Change

KAZEEM Sulaiman Abiodun

Dissertation: Effects of Limestone Mining and Cement Production on the Environment of Ewekoro and Ibese Towns in Ogun State, Nigeria.

NWANYA Franklin Chibuike

Dissertation: Effect of Poultry Production on Air Quality and Human Health in Selected Agricultural Zones of Imo State

ADEDOKUN Noa Abayomi

Dissertation: Characterization and Source Appointment of Particulate Matter from Abeokuta Metropolis, Nigeria.

M. AgSE. Livestock Science and Sustainable Environment

OGUNLAKIN Oludayo Festus

Dissertation: Chemical Composition of Two Grass Species with Varying Inclusion Levels of Pod Protein Concentrates

OREAGBA Basirah Bolanle

Dissertation: Effect of Fish Species on the Quality of Fish Powder and its Acceptability for Biscuit Making

AKINLADE Olamilekan Olanrewaju

Dissertation: Performance of Broiler Chickens on Oral Administration of Ethanric Extracts of Scent Leaf (*Occimum gratissimum*) and Alligator Pepper (*Afromomum melegueta*)

OYELEYE Omowunmi Febisola

Dissertation: Effects Of Marination Conditions Of *Monodora Myris tica* Aqueous Extract On Some Quality Attributes Of Optimized Chevron Cooked Using Different Methods

DADA Francis Idowu

Dissertation: Sward Height and Residue Effects on Productivity of *Megathyrus maximus* and Performance_in Rabbits Fed Pelletized Diets Containing *Leucaena leucocephala* Seeds

M. AgSE. Crop and Pasture Production and Sustainable Environment

ILUYEMI Ayodele Clark

Dissertation: Control of Fusarium Wilt (*Fusarium oxysporium f.sp lycopersici*) of Tomato (*Solanum lycopersicum* L.) Using Nanoparticles and Nitrates of Silver

M. AgSE. Development and Sustainable Environment

AKINBOYEJE Opeoluwa Aderemi

Dissertation: Effect Of Phytogetic Feed Addictive Blends on Haematobiochemical Idices and Carcass Yield of Broiler Chickens
